<tbody>
<tr>
<td>UDS</td>
<td>Uniform Data System</td>
</tr>
</tbody>
</table>
1. Go to the UDS Mapper [https://www.udsmapper.org](https://www.udsmapper.org)
2. Click **Forgot Username or Password** in the login box
3. **Submit** your username (your registration email)
4. This will generate a password reset confirmation email
   - Click Submit only once – the email may take a few minutes to arrive
5. Open the email and copy the temporary password
6. Log in using the temporary password
7. To change password or personal information, click **Account Settings** (above the map)
8. Enter new password and confirm
9. Click **Update**
10. Use your new password the next time you log in
Proceed to the next lesson to continue learning how to use the UDS Mapper
